multifunction  
**Table**

# multifunction Table

## Perfect Stability.

The **Multifunction Table** by Ormesa has been designed for **training and work activities and as a complement to other devices such as chairs and/or baby chairs.**

It provides a wide table top, ergonomic and functional to exercise manual activities, reading, allowing the user to stabilize his/her trunk in order to facilitate the functional use of the upper limbs, arrange a stable posture that allows a wide and structured view of the space, distances and environment surrounding the subject in his sitting position.

The **Multifunction Table is available in three different sizes:** the small size for children, the medium size for teenagers and the large size for adults.

PRODUCT  
MARKED 

MULTIFUNCTION TABLE is a MEDICAL DEVICE that COMPLIES WITH THE SAFETY REQUIREMENTS defined with the REGULATION (EU) 2017/745

# Maximum convenience

## Transport and storage at your fingertips

### New design

**Light and foldable for transport and storage.** Its low weight allows you **to carry even the largest size as if it were a briefcase.**

It has a wide base to allow easy access of the wheelchair/baby chair. The feet are built with non-slip material for more safety.

Frame painted with non-toxic epoxy powders, after antioxidant treatment.

# Functional top

## Ormesa design Table

### Ergonomic

Table top with large surface, suitably shaped with recess to support the forearms and facilitate the approach of the person.

Made of a **highly resistant material, easy to sanitize and hygienic**. Design without edges that does not trap food residues.

Adjustable in tilt with safety **system that prevents the frontal overturning of the top**.

Easily  
sanitizable

# Technical features

## Height adjustment system

Simple, reliable and precise adjustment system: the levers allow you to easily tighten the desired height while the internal friction system prevents the accidental fall of the table top.

## Tools free

Adjustments without the use of tools but thanks to levers, safe and easy to operate.

## Bookend and pen holder

Also useful with the inclined table top.

## Hook

Lateral Hook to store backpack or bag.
